INCOME PLAN — DETAILED BREAKDOWN

1 DIRECT INCOME (50%)

When you introduce a new member, you instantly earn 50% of their joining package as a direct commission — credited immediately to your account. No delays, no conditions. At the base \$30 Active package, each successful referral puts a guaranteed \$15 directly in your wallet.

Your Package	Direct Commission	Per Referral Earning
\$30 (Active)	50%	\$15 USD

2 LEVEL INCOME (Up to 12 Levels)

Level Income rewards you for building a deep team network. Every time anyone in your downline — up to 12 levels deep — joins or upgrades, you automatically receive a share. Level 1 earns you \$15 per member; Levels 2 – 4 earn \$1.00 each; and Levels 5 – 12 earn \$0.50 each. The bigger your team grows, the more passive income flows.

Level	Earnings	Level	Earnings
L1	\$15.00	L7	\$0.50
L2	\$1.00	L8	\$0.50
L3	\$1.00	L9	\$0.50
L4	\$1.00	L10	\$0.50
L5	\$0.50	L11	\$0.50
L6	\$0.50	L12	\$0.50

3 BOOSTER INCOME (50% of Package)

Each time you upgrade to a higher rank package, you unlock a one-time Booster Income equal to 50% of that package value, paid instantly. The higher the rank, the bigger the reward. At the top-tier FINIX rank (\$5,000) a special 4x multiplier applies — turning your booster into a powerful \$10,000 payout.

Rank	Package (\$)	Booster Income (50%)	FINIX Bonus
ACTIVE	\$30	\$15	—
SMART	\$50	\$25	—
SILVER	\$100	\$50	—
GOLD	\$300	\$150	—
TENIX	\$600	\$300	—
FINIX	\$5,000	\$2,500	x4 = \$10,000

★ FINIX rank holders receive a special 4x multiplier — turning a \$5,000 package into \$10,000 in booster income!

4 ACTIVE BONUS INCOME

Once you refer 4 direct members, you unlock the Active Bonus — a monthly reward paid in two cycles. In the first half (Dates 1–15) you receive a guaranteed minimum of \$20+. In the second half (Dates 15–30) there is absolutely no upper cap — the more active your team, the more you earn with unlimited potential.

Period	Bonus Type	Amount
Date 1 – 15	Minimum Bonus	\$20+
Date 15 – 30	Unlimited Active Bonus	No Cap!

5 RANK BONUS INCOME

Rank Bonus rewards leaders who build strong, balanced multi-leg teams. Qualify by accumulating bonus value across your 4 direct legs. Ranks are split into Group A (SMART, SILVER, GOLD) and Group B (TENIX, ONIX, FINIX). As each leg strengthens, you unlock increasingly larger bonus pools — designed to encourage sustainable, even team growth.

Group	Ranks Included	Reward
Group A	SMART • SILVER • GOLD	Accumulated Bonus Value
Group B	TENIX • ONIX • FINIX	Accumulated Bonus Value

6 AUTO-POOL INCOME

The Auto-Pool is a 5-level spillover matrix that works automatically as your organisation expands. Positions below you fill even from members you did not directly recruit, and income multiplies exponentially at each level. A fully populated Level 5 FINIX pool can generate up to \$256,000 in auto-pool earnings alone — making this the most powerful passive income engine in the entire plan.

Level	ACT 30	\$50 SMART	\$100 SILVER	\$300 GOLD	\$600 TENIX	\$1200 ONIX	\$5000 FINIX
1	4	8	20	40	200	400	1,000
